The Accessories Council is excited share an initiative that the The New York City Economic Development Corporation (NYCEDC) has just launched called NYCFashionInfo.com—an effort to support the fashion industry including a comprehensive Showroom Directory and other key resources to support the industry.

Through extensive research, the NYCEDC found that over 89% of retail buyers said there was no easy way to find a free directory of NYC showrooms. Now buyers can find thousands of world-class NYC showrooms in the searchable directory! Each directory listing includes a company name, address and phone number and is searchable using brand name and/or category of business and price points. Have your name in front of 1,000's of retailers and consumers and better yet...for FREE!

That's right! Listing in the NYCFashionInfo.com showroom directory is FREE! Email info@nycfashioninfo.com now to add your showroom!

NYCFashionInfo.com includes more than a Showroom Directory. Visitors can also find this valuable information:

- A complete calendar of all 2009 NYC Fashion Market Weeks
- Resources to help designers, manufacturers and retailers
- Tools to help emerging designers start and grow their businesses
- A sourcing database containing NYC suppliers and factories

- Updates on the NYC fashion industry sent to your inbox
